

RUDDY DUCTS - POND PERK DETAILS:

- ✓ **One annual tune up and Safety check per system** No need to remember to schedule our 20-point advance tune up on your HVAC system. We will schedule them for you with our easy online scheduler or call you directly. Each year you will be given several dates to choose from well in advance.
- ✓ **Priority Service** As a homeowner, we know that your HVAC must be running in top shape to save you money and keep you comfortable. Therefore, there is no need to wait for maintenance or repairs. As a priority customer we value your time, that is why we focus on serving our most trusted customers.
- ✓ **15% Off Repair Coverage** Just like insurance we got you covered. As a valued member you will get 15% OFF ANY REPAIR made by Ruddy Ducts (up to \$500 per year!).
- ✓ **\$0 Diagnostic fee for non-emergency checkups one per yr** If you suspect an issue with your unit but you are willing to wait, then give us a call to get on our schedule. We will provide you with the best options to resolve your issue as quickly as possible.
- ✓ **HVAC Partner Protection 24/7 Emergency Care** If you can't wait and it is an emergency then contact us right away and **receive 15% off**. If we are unavailable, then use one of our **HVAC Partners**. (see HVAC PARTNER SHEET) As a valued Pond Member, we want to make sure you are always in good hands. Our HVAC partner network provides a list of HVAC contractors that we approved. From commercial to residential they are waiting and ready to go 24/7. As a valued member you will **get 5% off their bill up to \$50 per year**. Reimbursements will be made by Ruddy Ducts within 45 days. Must submit receipt.
- ✓ **Indoor air Quality Service** Ever wonder how much it costs to have a certified NADCA expert perform an air quality test on your home? For some this may cost hundreds of dollars but for our Pond Plus members it's included. Just ask for this test prior to a visit and know everything in the air you breathe. Should we find anything that is unhealthy we will provide affordable options.
- ✓ **System Logging and record keeping** It's important to know the history of how your system performed.
- ✓ **Peace of mind** Relax, sit back and let us take care of your air.
